

**Life Plus** Medicare Pvt. Ltd.

**ORGANIC** PRODUCTS

## About Us

We as a Lifeplus Medicare Pvt. Ltd. has come up with a view to contribute towards a healthy society and a healthy environment. Today's world people are so conscious about health so we have created a wide range of organic products that will give you a strong proponent of nutritional value than conventional food. Organic produce contains fewer pesticides that helps in making an effort towards a sustainable agro-ecosystem that ensures soil & water conservation and reduced pollution.

### **Mission**

To help people and environment give a healthier, better and happy life by providing them with authentic organic food.

### **Vision**

To create a movement that would lead people to switch to organic food and take up a healthier lifestyle, which act as an effort towards a sustainable agro-ecosystem natural and chemical free.

## Benefits

- Organic farming is better for the environment.
- Organic is not just a healthy way of eating but also one which is guilt free.
- organic food has more nutritional superiority than its non-organic
- Organic food Boost Immune System
- there is minimal soil, air, and water pollution
- Promote animal welfare.
- Ensure safe and healthy world for future generation.
